Should you be allowed to build homes anywhere?

In the news this week

UK Prime Minister, Sir Keir Starmer, has stated that building new homes is a 'top priority.' The government has announced changes to planning rules, aiming to make it easier to build homes in the countryside. Local areas have been set targets to deliver a total of 370,000 new homes each year in England.

Things to talk about at home ...

- What type of home do you live in? What are the advantages of where you live? Is there anything you find difficult about it?
- Talk about the area around your home. What facilities are there?
- Ask an adult whether they know of the nearest 'green belt' areas close to where you live.
